Donuts with Dad

Thank you to all the Dads and grandfathers that came out on June 14th for our Fathers' day celebration. David Stokes was very informative, and his animals were fun to look at and touch! It was great to see so many fathers spending the morning with us!

Field Trip to Morton Arboretum

"Carnival for Cade"

We will be having another fundraiser the week of July 8th to raise funds for the Winters family. Last summer we had a bake sale to help out their family and raised over \$4000 for them! Cade is one of our Explorers and was diagnosed last summer with a brain tumor. He underwent chemotherapy and was cleared of cancer in December. On his first MRI appointment, his family learned it was back and it was back with a vengeance. He just completed radiation treatment and will be starting chemotherapy again which could be a full year or more. Keep Cade and his family in your prayers while he is on the road to recovery.

This year we will be having a contest. You will place your donations in the jar/jars with the teacher/s you want to see get a pie in the face. After a week of voting, the top 3 teachers with the most money raised will get a pie in the face. This will take place on July 12th at 10:30 am. Mr. Cody has also volunteered to have a child shave his hair! Raffle tickets will be sold for \$1.00 each or \$5.00 for 6 tickets. Two children's names will be chosen on Wednesday, July 10th. All money raised in jars and raffle will be donated to the Winters Family.
