Summer is coming

Please make sure that you have completed the summer form that was sent out last week and return it to the front office by February 8th. We realize some parents may have the summer off and work schedules may change. It is very important that we plan for any changes that may occur. If your child will be disenrolling, we need an ending date noted. All students that plan on returning for the school year in the fall must pay the registration fee to hold their spot and list the expected return date. If different days are needed then currently enrolled for, you may request them, but any final changes must be approved by Ms. Mary. Thank you for your cooperation

The Frontiers celebrated 100 days of school with a Mexican Fiesta!!!

Rate increase

As stated in the Parent Handbook our rates are due to increase. We are increasing the rate in June this year, which is the beginning of the Summer Session. With that being said, we are attaching a copy of our increase sheet to give you time to prepare. We take pride in the fact that we are giving our families loving quality care, with creative lessons, nutritious meals and fun activities. Our staff turnover has been minimal for this industry and we would like to think it's because they follow our passion for giving high quality care and treating the children like they are our own. In order to pass along raises to staff, cover rising food and supply rates as well as building and some major playground repair & maintenance, this small increase will help us keep up the quality we strive for. Thank you for your continued support, trusting us with your children and all your great reviews and referrals. We are thankful every day for your children and the relationships we have with the NSEC families.

Valentine's Day Party

The Rangers Pre-K and Frontier Valentine's Day Party will be held on Wednesday, February 12th from 9:00 am – 11:00 am. And the Tadpoles, Little Sprouts and Explorers will have their party on Friday February 14th from 9:00am-11:00am. If your child would like to participate, the children will be exchanging valentines with their classmates. Please have your children sign them with their name only. Do not address them to specific children. We like to have special treats and volunteers for our party. Please see your child's classroom door for a sign-up sheet. The party is open to all students that attend NSEC. If your child does not normally attend on Wednesday or Friday, they may come for the party time only. Also, the classroom can get quite crowded with the extra attending children, so please respect the 2 chaperone rule per classroom.
