Coming Up

- Please make sure that your child still has all their outside gear daily. Gloves may need to go home for drying daily, as they do not dry well just sitting on top of the cubbies. Tadpoles class needs to have this outer gear as well.
- March 1st - March 5th Dr. Seuss Week (weekly theme sheet attached)
- The tentative Ranger's Pre-K Graduation will be on Friday May 21st. Starting at 10:00am with a light luncheon to follow. The graduation will be outdoors. Of course, with COVID, all this is TBD.

Summer is approaching

Please make sure that you have completed the summer form that was sent out last week and return it to the front office by February 5th. We realize some parents may have the summer off and work schedules may change. It is very important that we plan for any changes that may occur. If your child will be disenrolling, we need an ending date noted. All students that plan on returning for the school year in the fall must pay the registration fee to hold their spot and list the expected return date. If different days are needed then currently enrolled for, you may request them, but any final changes must be approved by Ms. Mary. Thank you for your cooperation.

The Frontiers celebrated 100 days of school with a Paw Patrol Party!

Rate increase

As stated in the Parent Handbook our rates are due to increase. We are increasing the rate in June this year, which is the beginning of the Summer Session, June 7th. With that being said, we are attaching a copy of our new rate sheet to give you time to prepare. We take pride in the fact that we are giving our families loving quality care, with creative lessons, nutritious meals and fun activities. Our staff turnover has been minimal for this industry and we would like to think it's because they follow our passion for giving high quality care. In order to pass along raises to our staff, cover rising food and supply rates as well as building and playground repairs, this small increase will help us keep up the quality we strive for. Thank you for your continued support, trusting us with your children and all your great reviews and referrals. We are thankful every day for your children and the relationships we have with the NSEC families.

Valentine's Day Party

This year since we can't have a traditional Valentine's Day party, we are having a Valentine's week the week of February 8th-12th along with spirit days. Your child may bring in their Valentines any day of that week to hand out. Please do not put specific names on the Valentines. Only whom the Valentine is from. Look for a sign in the front office for how many children are in your child's class.

Valentine's Spirit Week
