April 30<sup>th</sup>- Arbor Day

May 3<sup>rd</sup>-May 7<sup>th</sup> - Teacher  
Appreciation Week

## Nature's Scholars OG

As of 3/29 our OG remote location will be moving back to NSEC. The area public schools are returning to full in person learning on 4/6. We will use Spring Break week to get acclimated as a combined group again. We look forward to having Mr. Cody and Ms. Hope join us so we can all be together again! Preparation for our summer outdoor OG program will be taking place with the children's assistance. More exciting information will be coming out on this program soon.

## Coming Up

Watch for our hallway to transform during the Week of the Young Child, April 10<sup>th</sup> – 16<sup>th</sup>.

Each class will work on special classroom artwork or projects.

Our Frontier's Classroom will be celebrating their graduation on Friday May 21<sup>st</sup> at 10:00 am. It will be held outdoors, and a light lunch and celebration will be held afterwards. The ceremony itself will be about ½ hour long. Lunch will be served at 11:00 am. Due to COVID and space limitations we can only allow 2 adults per child.

Reminder that our new tuition rates will take place as of Monday June 7<sup>th</sup>, 2021. Please see attached.

## Mother's Day Ideas

We are sad that we cannot have our Mother's day tea this year. Here are some ideas for you to celebrate mom at home.

- Let mom have a mom's day out
  - Make mom breakfast in bed
  - Clean the house for mom
    - Let mom sleep in
  - Get mom some flowers
  - Have a brunch with close family
- Have a Backyard picnic with the whole family.
- Take mom on a home date (don't let her cook or clean up dinner).
- Let mom take an uninterrupted bath.
- Make mom a memorable work of art.

## Father's Day Ideas

If we can't have Mother's day, we can't have Father's day either. Here are some ideas for father's day at home.

- Let dad tinker in the garage alone.
- Breakfast in bed
- Backyard BBQ
- Dad coupons
  - Let dad go golfing/Fishing/shooting whatever dad wants with his dad friends.
- Make dad a memorable

gift

## Upcoming Summer Schedules and Information.

Summer activities are still a work in progress. We are trying to confirm as much as possible as soon as possible. Look for a confirmation of requested days with your upcoming summer tuition amount listed.

The summer calendar is due to come out soon. As a reminder, all students enrolled for the summer will be charged an activity fee. This fee is to cover these special days, in-house special guests, and entertainers. If your child is not normally scheduled on one of the activity days, they are welcome to join us as long as an adult attend with them for that specific time only. Off-site field trips for the Frontier's and Ranger's will need chaperones and the extra attending students do not need an adult to attend with them. Those classrooms will have a slightly higher activity fee. In addition to the in-house special guests, those two classrooms will include 3 additional off-site field trips, t-shirt and materials for special projects and experiments. Look for the packets to be distributed in the next few weeks. Thank you for your patience ☺

## Travel Quarantine Update

With many more regulations and procedures being put in place for all travel, NSEC has made the decision to release our travel quarantine policy. We have faith in our families and staff that all will follow recommended guidelines such as wearing masks, social distancing, and hand washing/sanitizing. If any COVID like symptoms appear after travel, it will be considered COVID exposure. The attached decision tree for symptomatic individuals will then be followed. If you decide to quarantine, regardless of our policy, we will still honor the 50% quarantine discount. Thank you for your continued support in these trying times.

Some little leprechauns made it to Nature's Scholars after all!
