Communication is Key

With the school year coming up and everyone attending different schools, we can't stress enough how important it is for parents to communicate with us any important information that would possibly affect us (i.e., before and after school changes, making sure you communicate with the bus that your child's transportation needs to and from NSEC, contact us if your child won't be needing transportation in our van for those at Harrison or Richmond districts, any before or after school activities your child is involved in and won't be in attendance, and any other changes that we would need to know).

Also, if you know if your child is going to be absent, please let us know via phone or email. We really want communication to be a priority so that we can continue to provide the best possible care for your child. Let's make this school year great!
