- Water bottles are encouraged for each child every day that they attend. Water is the only liquid that you may provide. We change/fill them several times a day, but they do need to be washed by you at home daily or no more than the last day your child attends each week.
- Everyone needs to have a swimsuit, towel, sunscreen/bug lotions (no aerosols allowed) water bottle, water shoes & change of clothes here on the days they are attending. Please label everything!

International Mud Day

- On June 28th we celebrate international mud day by participating in a whole day of muddy activities. The Rangers and OG have taken on the task of planning all the mud day activities for the school. Make sure to send your child in old clothes or swimsuit that can get ruined. Also please bring an extra set of clothes and an extra towel. Your child will come home with a plastic bag full of muddy clothes and the towel.
