- Scholastic will be starting back up in September!
- New classroom transition letters will be sent home stating your child's room assignment and teachers. New classroom assignments will start the week of August unless otherwise specified. If you have any questions, please see or email.

Thank You

As this summer ends, we want to thank Ms. Sarah L., Ms. Macy & Ms. Linda for their extra special summer help they were able to provide to us the last few months. Good luck to all of them in their future endeavors! We will miss you all! Ms. Isabella will sub for us until January! Hopefully we will see some on our breaks.

Communication is Key

With the school year coming up and everyone attending different schools, we can't stress enough how important it is for parents to communicate with us any important information that would possibly affect us (i.e., before and after school changes, making sure you communicate with the bus that your child's transportation needs to and from NSEC, contact us by 3:00pm if your child won't be needing transportation in our van for those at Harrison or Richmond districts, any before or after school activities your child is involved in and won't be in attendance, and any other changes that we would need to know).

Also, if you know your child is going to be absent, please let us know via phone or email BEFORE 9:00AM. We really like communication to be a priority so that we can continue to provide the best possible care for your child. Let's make this school year great!
